The Kentucky Legislature Adjourns.

"The Senate stands adjourned, and may the Lord have mercy on your souls," said Lieut. Gov. Worthington at 3:30 o'clock Friday afternoon as the gavel fell for the sine die adjournment of the extra session of the Legislature. Nine more bills received the Governor's signature, making twenty-eight bills and one United States Senator as the net result of the sixty-day session. The Governor signed the Mob Bill, and vetoed the bill grading license fees in Louisville. — [Courier-Journal.]

Places For Kentuckians.

WICKLIFFE PRESTON, of Lexington, stands an excellent chance to be appointed Consul to Marseilles the office lately held by C. M. Thomas, of this city. President McKinley yesterday asked Senator Deboe to endorse Preston, and said that if he decided to appoint him the place would not be charged to Kentucky.

N. F. Kash, to be postmaster at Moorefield, and F. M. Young at Mt. Olivet, were among the Kentucky appointments made yesterday.

Those Bribery Indictments.

THE indictments against Dr. Godfrey Hunter, ex-Congressman John H. Wilson and E. T. Franks were argued on a demurrer before Circuit Judge Cantrill at Georgetown Friday night and a motion to quash was taken under advisement by the Court. Chief Justice Pryor and Attorney John Rodman, the attorney for the defense base their demurrer on the ground that while there is a statutory penalty in this State for bribery or attempt to bribe, there is none for "conspiring to bribe," the offense charged in the indictments.

The prosecution was represented by Commonwealth's Attorney John S. Smith. Judge Cantrill will withhold his decision for several days.

CONSUL GENERAL LEE says 1,200 Americans in Cuba need relief.

MARK HANNA is suffering from heart trouble and has left Washington for a short rest.

GREECE'S Minister of Foreign Affairs has declared his country will pay no indemnity to Turkey.

THE name of Warden Happy, of the Eddyville prison, is not now consistent with his feelings since the investigation of his official affairs. It should be Unhappy.

THE dedication Saturday of a handsome monument to Confederate dead at New Hope Cemetery, New York, is a proper following of the Chicago precedent. Death should and does even all things.

At Little Rock, Ark., Saturday State Senator R. D. McMullen was fined \$100 and sentenced to one minute in jail for attempting to kill Col. J. N. Smith, an editor, who criticized the Senator's course in the Legislature.

It comes straight from the White House that the President is in favor of the independence of Cuba and that before long the Spanish Minister will have changed his residence from Washington to Madrid. — [Courier-Journal.]

MAJ. P. P. JOHNSTON, of Lexington, will resign in June as chairman of the State Central and Executive Committee. He denies that he is a candidate for Governor or any other office, and expresses disgust at many things in politics.

Baby's Second Summer

is the time that tries all the care of the mother and all the skill of maternal management. Baby comfort comes from fat; fat babies have nothing to do but to sleep and grow.

If your baby does not seem to prosper, if he does not gain in weight, you must get more fat there. A few drops of

Scott's Emulsion

each day will put on plumpness; fat outside, life inside, baby and mother both happy.

Your baby can take and relish Scott's Emulsion as much in summer as in any other season.

Almost Distracted?

DO YOU EVER suffer from real nervousness? When every nerve seemed to quiver with a peculiar, creepy feeling, first in one place, and then another and all seemed finally to concentrate in a writhing jumble in the brain, and you become irritable, fretful and peevish; to be followed by an impotent, weakened condition of the nerve centers, ringing in the ears, and sleepless, miserable nights?

Dr. Miles' Nervine Restores Health.....

Mrs. Eugene Searies, 110 Simonton St., Elkhart, Ind., says: "Nervous troubles had made me nearly insane and physicians were unable to help me. My memory was almost gone and every little thing worried me until I was almost distracted. I really feared I was becoming a maniac. I imagined all sorts of evil things and would cry over nothing. I commenced taking Dr. Miles' Restorative Nervine and four bottles of this wonderful remedy completely cured me, and I am as well now as I ever was."

Dr. Miles' Nervine is sold on guarantee, first bottle will benefit or money refunded.
